i note that you have set down ames iowa for this conference. is that to get the conference away to a secret place that the general public cannot afford to fly to? of course all the profiteers will have plane tickets in hand to get their viewpoint across, but the general public is out of luck with your plan. what is your solution for making sure the general public can have voice here?

i want a webinar to be simultaneous with this conference, as well as a teleconference. we want the general american public, all of whom own dogs and cats who have gotten cancer from their rabies shots to have a chance to see exactly what goes on with this. whole production scheme.

we need the general american public in on this. IF YOU OWN A PET, YOU WANT TO UNDERSTAND EXACTLY WHAT IS BEING INJECTED INTO THAT PET. THE PUBLIC HAS A RIGHT TO KNOW ABOUT THE ENTIRE DEVELOPMENT, PRODUCTION PROCESS. YOU EVIDENTLY WANT IT SHUT AWAY ONLY FOR THE PROFITEERS IN THE FIELD. THAT IS NOT WHAT PRESIDENT OBAMA PROMISED THE AMERICAN PEOPLE. HE ORDERED ALL HIS AGENCIES TO BE TRANSPARENT. WHAT ARE YOU DOING TO MAKE THIS WORKSHOP TRANSPARENT. NOTHING SO FAR.

IT IS CLEAR THAT THIS RABIES VACCINES AFFECTS MILLION OF AMERICANS, AND IF THEY CAN LEARN ABOUT IT THEY SHOULD HAVE THE OPPORTUNITY TO DO SO. YOU SHOULD NOT HOLD IT AWAY AS A SECRET, DECEPTIVE, SNEAKY PROCESS.

THE AMERICAN PUBLIC WANTS IN ON THIS. PLEASE CHANGE THE PROCESS SO THAT A WEBINAR CAN BE SET UP FOR ALL WHO WANT TO ATTEND. IT IS TIME TO SERVE THE AMERICAN PUBLIC, SINCE YOU ARE "PUBLIC SERVANTS". PLEASE REPLY ON THIS REQUEST FOR AN OPEN MEETING.  
JEAN PUBLIC ADDRESS IF REQUIRED
